The Council now moved into Committee to discuss Works Committee and Finance Committee matters.

The Committee rose at 9:50 P.M., and it was,

Moved by Geo. Parker Seconded by F. Dowling

THAT the tender received from Lloyd W. McNeil Pipelines Limited for the trenching of a sewer on a right-of-way to the E.C. Packing Plant in the amount of $0.67¢ per foot as of letter dated August 2/60 be accepted.

MOTION CARRIED.

The report of the Finance Committee was now read and adopted by motion.

Mr. Soosaar of Reash Developments had now returned to the meeting and it was moved that he be heard. Mr. Soosaar advised that he had met with some of the property owners who had agreed to install a catch basin and tile from the residential lots themselves. He further advised Council that he could not see that his client was responsible for the present conditions as it appeared to be a difference in the elevation of the residential lots, and if these property owners wished to install this tile to the existing storm sewer on their property, he felt certain the Reash Investment Company would have no objection.

The report of the Works Committee was now read and adopted by motion.

The request from the Chamber of Commerce for an investigation into the possibility of providing angle parking on Main Street between Queen Street and Church Street was now discussed and it was decided the Works Committee would investigate this matter further and bring in a report to the next regular meeting of Council.

The reading of the necessary by-laws to authorize the construction of a water stand-pipe was deferred until a special meeting of the Municipal Council to be held on August 8th, 1960.

Moved by J.M. Fairley Seconded by F. Dowling

THAT the minutes of the Council meetings of August 2nd and August 8th, 1960, be adopted as transcribed.

MOTION CARRIED.

Immediately preceding the meeting of Council, the Roads and Works Committees had met with Engineer G.V. Kleinfeldt and Mr. W.A. Hamilton to study the plans and specifications as submitted by Messrs. Petzold & Brouse on behalf of their client, Credholme Developments Limited and it was

Moved by Geo. Parker Seconded by F. Dowling

THAT we accept the recommendation of Mr. G.V. Kleinfeldt that the plans and specifications as submitted by Messrs. Petzold and Brouse, and the accompanying OWRC forms be accepted and forwarded to the OWRC for approval, subject to the following conditions:-

1. That no basement floor elevation within this plan shall be at a lesser elevation than 544.0.
2. That plans and specifications for the construction of the pumphouse and wet well will be forwarded for approval prior to construction.

MOTION CARRIED.

The reports of the Roads Committee and the Works Committee were now read and adopted by motion.

Letter dated July 19th from Mr. M.C. Foster on behalf of his client Mr. H.E. Irvine, 129 Queen Street S., requesting that the Village alter the ramp leading to his driveway, was discussed and it was decided that the secretary inform Mr. Foster that Council, while sympathetic to Mr. Irvine's problem, was not prepared to make any alterations until such time as the necessity to do so had been proven to them .

Tenders for the demolition of the Village-owned house at the corner of Ontario and Church Streets were now discussed. An offer to remove the building from the site at no cost to the Village had been submitted by Mr. E.N. Rutledge and Fire Chief Burns had submitted a letter suggesting that, if Council agreed, he would like to have the opportunity of demolishing this building in order to gain experience for the fire department under the guidance of instructors from the Ontario Fire Marshall's office. Since there was a possibility that the Village might be able to salvage some of the material for its own use, it was decided that the Clerk of Works, together with the Works Committee , would make an inspection of this property and bring in a report of their findings.

The Miscellaneous Committee report was now read and adopted by motion.

A Special Meeting of the Municipal Council was held this date in the Council Chambers. The meeting was called to order at 8:00 P.M. with all members of the governing body present.

The meeting was called for the specific purpose of meeting with representatives of the Streetsville Volunteer Fire Department to discuss the replacement of the old fire truck.

Fire Chief Burns and Mr. Gordon Bentley were now requested to address Council. Fire Chief Burns outlined the history of the old truck and informed Council that, in the opinion of qualified mechanics, it was economically unsound to make any further repairs to this old truck since, on account of its age, no garage could guarantee the length of time that any such repairs could continue to make it function. Mr. Burns had made an extensive search for a new truck which would serve his purpose and yet be within the price range of the Village, and he was now prepared to recommend the purchase of a new truck which had been manufactured and used for demonstration purposes only and could be purchased, fully equipped for $14,936.00. After exhausting all possibilities of providing adequate fire protection both for the present time and for expansion in the foreseeable future, it was with a request for a recorded vote

Moved by F.T. Smith Seconded by Geo. Parker

Moved by J.M. Fairley Seconded by F. Dowling
THAT the minutes of the Council meetings of August15th, August 18th and September 1st, 1960, be adopted as transcribed with the exception that the paragraph immediately following the motion making $2,400.00 available to the Welfare Committee in the August 15th minutes, be amended by inserting the words "from the Village Solicitor" after the word "ascertained" and inserting "may be" in place of "is" following the words "day Nurseries Act", so that the paragraph shall read as follows:-

"It was ascertained from the Village Solicitor, that the curriculum of a nursery school operating within the rules and regulations of the Day Nurseries Act, may be the same as that provided by Public and Separate School Boards."

MOTION CARRIED.

It was now moved that Mr. Wilf. Gelder be heard. Mr. Gelder was present requesting clarification as to how he could roof practically all of the rear yard on which he had laid down flagstones and surrounded with a fence, to comply with the by-laws and still provide him with protected storage space. He was advised that he could not be allowed to erect any type of permanent roof over the area but that there could be no objection to an awning or such type of canopy either attached or detached to the building. Mr. Gelder was satisfied that with this information, he could work out his problem and he withdrew from the meeting.

It was now moved that Mr. George Baylay be heard. Mr. Baylay was present in connection with a letter dated August 23rd, in which he requested that Council release a portion of the $5,500.00 certified cheque being held as a guarantee against the roads and services within his sub-division.

Council moved into committee to discuss this matter with Mr. Baylay.

The committee rose at 9:50 P.M. and the reports of the Financial Committee and of the Works Committee were now read and adopted by motion.

A by-law to amend By-law Number 1405 was now given three readings and it was

Councillor Fairley now sought information from the Finance Committee as to how they could justify approval for an expenditure of $93,000.00 for a standpipe when it had been Council's stand that they could not approve an expenditure of $92,000.00 for kindergartens in view of the debenture debt of the Village. It was explained to Mr. Fairley that the expenditure for kindergartens would come directly from school taxes whereas the expenditure for the standpipe was a self-liquidating debt. He was also assured that, if the Public School Board were to request Council for approval of an expenditure to cover needed classrooms rather than for extraneous rooms such as kindergartens, gymnasiums, auditoriums etc., no reasonable request would be denied.

The cost of the road and sewerage to service the new road into theE.C. Packing Company property was now brought to the attention of Council and Council moved into committee to discuss this matter.

The committee rose at 9:35 PM; however Mr. Ward Allen, Village Solicitor, arrived at the meeting with the draft agreement he had been requested to prepare, between Credholme, Annette Cottrell and the Village of Streetsville and the Council again moved into committee to discuss this agreement.

The question of appointing a deputy-treasurer for the Village of Streetsville to fill the vacancy created by the resignation of Mr. Dundas was now discussed and it was decided that Mr. Smith would contact Mr. Orser and obtain his recommendations before any further steps would be taken.

Moved by J.M. Fairley Seconded by Geo. Parker
THAT the minutes of the Council meetings of Sept. 6th, 1960 and September 12th, 1960, be adopted as transcribed.
MOTION CARRIED.

It was now moved that a deputation consisting of Messrs. V.C. Johnston and D. Richmond of the Public Utilities Commission be heard. Mr. Johnston advised Council that he and Mr. Richmond had been appointed by the Public Utilities Commission to contact the Township of Toronto with respect to the elevated water tank site being outside the Village and he had 'phoned Reeve Speck the following morning and was advised that the best thing for them to do would be to annex the tank site to the Village and this had been confirmed by the Township Co-ordinator Dean Henderson in a telephone call to Mr. Johnston that afternoon. Subsequent to that, he telephoned Mr. Kennedy, Chairman of the Ontario Municipal Board, who advised him there would be no problem in annexing this site to the Village provided a letter was obtained from the Township of Toronto advising they had no objection to this annexation and this letter was forwarded to the Board with the application for annexation, and it was
Moved by J.M. Fairley Seconded by F.T. Smith
THAT the Village Solicitor be requested to prepare the necessary by-law for approval by The Ontario Municipal Board to annex the property situated in Toronto Township, now owned by the Streetsville Public Utilities Commission and required by the Village for the erection of a water stand pipe.
MOTION CARRIED.

Council now moved into committee to discuss with the property owner, a report submitted by Clerk of Works W.A. Hamilton concerning the residence at 30 Arch Road being used as a multiple family dwelling and also to discuss other committee matters.

Deputy Reeve F. Dowling arrived at the meeting while Council was in committee.

The Committee rose at 10:15 P.M. and the reports of the Miscellaneous Committee, Works Committee and Finance Committee were now read and adopted by motion.

Moved by F.T. Smith Seconded by Geo. Parker
THAT payment of the accounts as shown on the financial statements dated September 19th, 1960 in the amounts of $12,527.80 and $2,701.60, be approved.

STREETSVILLE, Ontario
October 3rd, 1960.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all Members of the governing body present.

The meeting was called to order at 8:15 P.M. and it was

Moved by J.M. Fairley Seconded by F.T. Smith

THAT the minutes of the Council Meeting of September 19th, 1960, be adopted as transcribed.

MOTION CARRIED.

It was now moved that Fire Chief K.R. Burns be heard. Mr. Burns advised Council that he would like an extension on the time which had been granted by the Council within which time the Village-owned duplex on the corner of Church and Ontario Streets had to be destroyed. Mr. Burns pointed out to Council that the delivery date of the new pumper which the Village was acquiring was not until approximately October 15th and he wanted to use this new pumper when destroying the duplex and use the 1952 pumper as a standby in the event of an emergency call. It was therefore duly moved, seconded and carried that the time limit within which the duplex was to be destroyed by the Fire Department be extended to October 24th, 1960.

It was now moved that Mr. Vokes and Mr. Ibey of The Bell Telephone Company be heard. Mr. Vokes and Mr. Ibey were present to report to Council on surveys of long distance calls from and to Streetsville which their Company had carried out since last year, when other representatives of their firm had been present at Council discussing the possibility of extending toll-free service to the Streetsville subscribers.

The results of these surveys which show a decrease in the demand for extended area service between Streetsville and Oakville and Streetsville and Brampton were as follows:-

Calls from Streetsville toBrampton:-

July	1959	- 41%	of Total Streetsville Subscribers
December	1959	40%	" " " "
July	1960	32.4%	" " " "

Calls from Streetsville to Oakville:-

July	1959	- 27%	of Total Streetsville Subscribers
December	1959	32%	" " " "
July	1960	20.6%	" " " "

Calls from Brampton to Streetsville:-

July	1959	- 13.5%	of Total Brampton Subscribers
December	1959	15.7%	" " " "
July	1960	13.4%	" " " "

Calls from Oakville to Streetsville:-

July	1959	- 5.8%	of Total Oakville Subscribers
December	1959	6.2%	" " " "
July	1960	4.7%	" " " "

However, owing to pressure on theTelephone Company for extended area service around the Toronto area, Mr. Vokes submitted to Council a sample of a letter which they propose sending to all Streetsville subscribers to ascertain whether or not they want toll-free one-way calling privileges to the Toronto Central Offices, which would increase the monthly rental rates for an individual residence service from $4.65 to $10.50 per month and to $25.00 for an individual business service. This service would be put into effect only if at least ten percent of the Streetsville subscribers desired this service and then only to those who desired same.

It was now moved that Mr. Joe Mota be heard. Mr. Mota was present to discuss the price which he had submitted to Council for repairing the exterior walls and foundations of the old High School building.

The Council now moved into Committee to discuss this work with Mr. Mota and it was decided before approving any work on this building, test holes should be dug around the building to ascertain the condition of the foundation.

The Committee rose at 9:45 P.M. and the reports of the Roads Committee, Works Committee, Police Committee and Finance Committee were now read and adopted by motion.

It was, with a request for a recorded vote
Moved by F.T. Smith Seconded by J.M.Fairley
THAT Clarkson, Gordon & Company be retained as Auditors for the Village for the year 1960 at a fee of $3,000.00.

MOTION CARRIED.

The September 30th statement of Tax Arrears was now reviewed by the Council.

The reports of the Welfare Committee and of the Miscellaneous Committee were now read and adopted by motion.

Mr. Robert Moore now appeared before Council to ascertain what could be done about the noise coming from Beehoo Engineering. Mr. Moore advised Council that Beehoo Engineering were loading steel outside their plant and it was impossible for them to get any sleep. Solicitor H.Ward Allen was now instructed to send a letter to Mr. Beehoo pointing out this violation of the Zoning By-law, which prohibits outside storage of material in a "M-1" zone.

A by-law to establish Community Centres in the Village of Streetsville was now given three readings and it was
Moved by J.M. Fairley Seconded by F. Dowling
THAT a by-law to establish Community Centres in the Village of Streetsville now having been given the necessary three readings, be duly signed by the Village Reeve and Clerk, the Corporate Seal be affixed thereto, and numbered 1419.

The regular semi-monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present. The meeting was called to order at 8:15 P.M. and it was

Moved by J.M. Fairley Seconded by F. Dowling

THAT the minutes of the Council Meeting of October 3rd, 1960, be adopted as transcribed.

MOTION CARRIED.

It was now moved that Mr. James Robb and Mr. H. Manning of Thomas Street be heard. Mr. Robb and Mr. Manning were present to request that the new sidewalk constructed on the south side of Thomas Street between Queen Street and Victoria Street be continued from Victoria Street to the railway crossing, as the existing sidewalk in front of their properties was much lower than the road which caused Mr. Robb's car to scrape when using the driveway. As Mr. Manning's driveway was off Victoria Street, he was not affected in a similar manner. However, he did want to know what the future level of the sidewalk would be. Messrs. Robb and Manning were advised that the Council did not have the money to construct this sidewalk this year. However, they would investigate the possibility of raising the sidewalk at Mr. Robb's driveway to temporarily relieve his complaint and they were further advised that it was expected the County would be constructing a new roadway on Thomas Street next year, at which time the balance of this sidewalk would be completed and if Mr. Manning wanted to know the elevation of the new sidewalk, he could obtain this information from the County Engineer's office.

It was now moved that Mr. W.N. Atkinson be heard. Mr. Atkinson was present at the request of Council to report on the liability coverage carried by the Village Kindergarten Incorporated and the Streetsville Community Kindergarten. Mr. Atkinson advised Council that the Village Kindergarten Incorporated carried a $200,000.00 inclusive coverage policy which he felt was adequate. However, the Streetsville Community Kindergarten carried only a $5,000.00 for injury to one person; $10,000.00 for injury to two or more persons and $1,000.00 property damage policy, which he felt was inadequate and would recommend that this Kindergarten carry the same coverage as the $200,000.00 inclusive coverage carried by the Village Kindergarten, at a very slight increase in cost.

It was now moved that Mr. Hodgins and Mr. Angres of Vista Drive, be heard. Mr. Hodgins and Mr. Angres were present at the request of Council to discuss the fencing of the Village watercourse between their properties. They advised Council they were not agreeable to sharing the cost of a chain-link fence; however, they would be willing to share the cost of a more reasonably priced fence, providing their share did not exceed $100.00. It was therefore decided that the Clerk of Works would be requested to obtain a price on a cheaper type fence and submit same to Mr. Hodgins and Mr. Angres.

It was now moved that Mr. V.C. Johnston and Mr. R. Halford of the Parks Board be heard. Messrs. Johnston and Halford requested Council to take immediate steps to obtain a right-of-way from Britannia Road into the Riverview Heights Park through the George Baylay property, by expropriation if necessary. As the first step required obtaining an appraisal of the land, it was requested that the Deputy Reeve contact Mr. Dixon and obtain an appraisal and it was

A Joint Special Meeting of Council and the Public School Board was held this date in theCouncil Chambers with the following members present:-

COUNCIL:	Reeve -	J.M. Adamson
	Deputy Reeve	F. Dowling
	Councillors	J.M. Fairley
		G. Parker
		F.T. Smith
PUBLIC SCHOOL BOARD:	Chairman-	K. Timney
	Vice Chairman	Mrs. Nixon
	Members	D. Lockhart
		J.R. Boyd
		C.H. Turvey
	Secretary-Treasurer	C.S. Patterson

The meeting was called to order at 8:10 P.M. to discuss the request from the Public School Board, dated October 20th, to the Municipal Council for tentative approval of a capital expanditure in the amount of $180,000.00 for Public School additions.

As all the ratepayers who were present as spectators could not get into the Council Chamber, the meeting was recessed at 8:35 P.M. for fifteen minutes to reconvene in the Masonic Hall.

At 8:50 P.M. the meeting reconvened in the Masonic Hall and the discussion continued.

The Public School Board emphasized that all items listed in their request were deemed essential by their Board and every member of their Board was 100% in favour of the complete building program.

The meeting was adjourned at 10:35 P.M. after Council had indicated that their decision would be given to the Board by November 15th as requested.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:20 P.M. and it was

Moved by J.M.Fairley Seconded by F. Dowling

THAT the minutes of the Council Meetings of October 17th, 1960, October 24th, 1960 and November 3rd, 1960, be adopted as transcribed.

MOTION CARRIED.

The report of the Finance Committee was now read and adopted by motion.

It was now moved that Mrs. S. Adye-White who waited on Council be heard. Mrs. Adye-White was present concerning the condition of the ditch and culverts on the west side of Alphonse Crescent which were not draining properly. Mrs. Adye-White was advised that this matter would be looked after by the Works Department.

It was now moved that Mr. R. Gillespie, representing Reinhold Construction, be heard. Mr. Gillespie advised Council that his client had made application for building permits but had not yet received same. It was pointed out to Mr. Gillespie that all applications for building permits had to be approved by the Council before being issued and this was the first meeting since his client had made application for same. However, the Council were concerned with heavy building trucks causing possible damage to Ardsley Street and the Village would therefore like to have, if possible, an undertaking from his client accepting responsibility for any possible damage to the road which might arise owing to the building of the houses, permits for which he is now seeking. Mr. Gillespie stated that his client would be willing to enter into such an undertaking and it was decided to await the arrival of the Village Solicitor to discuss this matter further.

It was now moved that Mr. Ian Cameron of Bankers Bond Corporation be heard. Council moved into Committee to discuss the sale of debentures with Mr. Cameron. The Committee arose and, after obtaining independent advice that the tender submitted by the Bank of Nova Scotia for the purchase of Village of Streetsville debentures was a fair price, it was, with a request for a recorded vote

Moved by F.T. Smith Seconded by Geo. Parker

THAT the tender received from The Bank of Nova Scotia dated November 7th, 1960, in the amount of $62,445.42, being at the rate of 100 and accrued interest for the issue of $62,445.42 Village of Streetsville non-callable serial debentures, be accepted.

Councillor Geo. Parker now advised Council that he had been thinking of the possibility of constructing a sewer line along Thomas Street from the foot of the hill to the Mullet Creek trunk sewer under the Winter Works Program. He outlined the information which he had obtained on this matter. However, before going any further, engineering plans would have to be obtained which would cost approximately 3½% of an estimated total cost of $7,500.00 for the sewer.

and he was therefore authorized to obtain this engineering data.

The Council was adjourned at 11:50 P.M.

November 21st, 1960.

The semi-monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present, following the adjournment of the Court of Revision. The meeting was called to order at 10:35 P.M. and it was

Moved by F. Dowling Seconded by J.M. Fairley

THAT the minutes of the Council Meeting of November 7th, 1960, be adopted as transcribed, after correcting item 2 in the Works report, adding the following:- "We recommend payment of this account."

MOTION CARRIED.

It was now moved that Mr. William Lawrence, solicitor for The Toronto-Dominion Bank be heard. Mr. Lawrence was present to obtain approval for the Toronto-Dominion Bank to erect a temporary mobile branch office on the property immediately north of the Post Office until such time as a permanent building was constructed. Mr. Lawrence advised the Council that Toronto-Dominion Bank would be willing to undertake an agreement with the Village that would ensure a permanent building being erected on this property, on which they hold an accepted option. It was felt that, before Council could make a decision on this matter, the Village Solicitor should be consulted and it was therefore

Moved by J.M. Fairley Seconded by F.T. Smith

THAT the Village Solicitor be consulted for advice concerning the proper agreement for the Village and the Toronto-Dominion Bank to enter into to permit the Bank to construct a temporary building on Queen Street which would ensure that a permanent building would be erected under conditions satisfactory to Council.

MOTION CARRIED.

It was now moved that Mr. Bert Reid and Mr. Harvey Bonham be heard. Mr. Reid and Mr. Bonham were present concerning the school crossing on Queen Street at Tannery Street and wanted to know why there was not a guard during school crossing hours at all times. Messrs. Reid and Bonham were advised that this matter was one on which Council had spent much time and discussion for not only this crossing but also the crossings on Queen Street at Thomas Street and on Queen Street at Britannia Road. It was suggested that possibly the flashing type school crossing caution sign might be the solution to this problem, together with advance warning of the crossing painted on the road surface and more restricted parking close to the crossing, and it was

Moved by J.M. Fairley Seconded by F. Dowling

THAT the Deputy Reeve be authorized to investigate the cost of "School Crossing - Caution" flashing signs and also the cost of "School Crossing Ahead" painting on the pavement, for the crossings at Thomas St., Britannia Rd. and Tannery at Queen.

MOTION CARRIED.

It was now moved that Mrs. Kabat of 6 Joycelyn Drive be heard. Mrs. Kabat advised Council that in 1956 she had a house built by Mr. R. Kreppner which was not built according to blueprints. The house not only was constructed poorly but was not properly located on the lot, and she would like the co-operation of the Council on this matter so that it would assist her in an action against the builder which she has presently before the court. It was decided that the village Solicitor would have to be contacted on this matter at the next Council meeting and the minutes of the 1956 Council meeting when the application for a building permit was approved, together with the original building application, would have to be checked.

November 28th, 1960.

A Special Meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:05 P.M. and it was moved that the Council sit as a police committee to hear a deputation consisting of some parents of teenagers who were charged with wilful damage to the police detention room on the night of October 31st.

The Committee rose after deciding to have the Clerk obtain a transcript of the evidence from the Magistrate's Office on the hearing of these teenagers; together with a report from the Chief Constable on this matter, and when both these items were obtained, another special meeting would be called.

It was now
Moved by F.T. Smith Seconded by J.M. Fairley
THAT Clarkson Gordon & Company be engaged by the Corporation of the Village of Streetsville to conduct an audit of the books of The Corporation and Subsidiary Boards for the year 1960.

J.M. Fairley	Aye	MOTION CARRIED.	

The report of the Finance Committee was now read and adopted by motion.

It was now moved that Mr. Lawrence representing the Toronto-Dominion Bank be heard. Mr. Lawrence advised Council that he had just been speaking with Village Solicitor H. Ward Allen and had discovered that a bank was not a permitted use in a commercial area according to the Zoning By-law of the Village of Streetsville and he realized this matter would have to be cleared up before they could obtain a permit for either a temporary branch office or a permanent office on the lot which they had optioned immediately to the north of the Post Office. It was suggested that possibly an amendment to the Zoning By-law to permit a bank and business office within the above commercial zone could be approved and passed by Council later in the evening to be forwarded to the Ontario Municipal Board for approval.

It was now moved that Mr. Goulding of Hill-Clark-Francis Limited be heard. Mr. Goulding was present with Mr. Harold White of White Construction Company and advised Council that it was the intention of Hill-Clark-Francis to proceed immediately with their shopping centre project and they were therefore present to obtain approval for a building permit to erect a supermarket which was to be built by White Construction Company. Mr. Goulding pointed out that the development of this shopping centre had been divided into three stages with the construction of the supermarket and the construction of the entire parking area as "stage one" which they wanted to proceed with immediately and commence construction of "stage two" in the early Spring. Mr. Goulding and Mr. White were advised that, if they would make out the necessary building permit application form, it would be approved that evening.

The regular semi-monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:20 P.M. and it was

Moved by F. Dowling Seconded by J.M. Fairley

That the minutes of the meeting held December 5th, 1960, be adopted as printed and distributed.

MOTION CARRIED.

Moved by Geo. Parker Seconded by F. Dowling

That we apply to the Federal Government for approval of the installation of a twelve inch sanitary sewer along Thomas Street from Hillside Drive to the Mullet Creek Trunk Sewer under their Winter Works Programme.

MOTION CARRIED.

It was now moved that Mr. G.R. Bruce, Streetsville representative on Central Peel District High School Board, who was present at the request of Council to submit a report on that Board's activities for the year 1960, be now heard. Mr. Bruce advised Council that he had now prepared a report but he was quite willing to answer any questions which Council may have. Mr. Bruce advised Council that the High School Board expected to have a surplus for the year 1960 and at the present time, there had been no discussion on any new school for the future. The present enrollment was a little over 2,000 pupils in the three schools and the major part of the High School budget was for salaries over which the Board, he felt, did not have much control. One of the questions which Mr. Bruce was unable to answer but promised to investigate, was whether or not all the teachers on the staff were teaching full time. This question was brought up because it was learned that, in another municipality qualified teachers were being engaged in clerical work. Mr. Bruce was thanked by the Council for attending the meeting.

It was now

Moved by F. Dowling Seconded by Geo. Parker

That the account of $3,876.11 received December 9th, 1960 re installing of short-arm flashing signals installed at the Tannery Street crossing be paid in full to the Canadian Pacific Railway Company.

The reports of the Finance Committee and of the Works Committee were now read and adopted by motion.

It was now moved that Mr. Jack Carr, the Streetsville representative on Credit Valley Conservation Authority who was present at the request of Council to submit a report on the Authority's activities for 1960, be heard. Mr. Carr read a report for the year 1960, which had been prepared by Mr. A.M. Greenaway, Chairman of the Authority and submitted a copy of this report to the Clerk for the Village files. Mr. Carr advised the Council that the January meeting was the budget meeting of the Authority and it was expected the 1961 budget for the Village of Streetsville would be around $3,000.00 which was a considerable decrease from the year 1960. He also advised that, by setting up a minimum program of five million dollars for Capital Works, they became eligible for a 37½% subsidy from the Dominion Government in addition to

the regular 37½% subsidy from the Provincial Government, with no time limit being placed on the over-all project with respect to commencement and completion. It was therefore expected that only the new Orangeville dam would be proceeded with next year at a total approximate cost of $500,000.00. Mr. Carr was thanked for attending the meeting and submitting this report.

It was now moved that Mr. George Baylay be heard. Mr. Baylay was present to request the Council to take over the services within his subdivision which, he stated, had been completed for approximately three years with the exception of the road surface which was completed last year. He also requested Council to reduce the $1,500.00 deposit balance which they presently hold as a guarantee for these services. It was agreed that $1,000.00 of the deposit could be refunded to Mr. Baylay at this time, leaving a balance of $500.00 and the Clerk was requested to write an acknowledging letter to Proctor & Redfern's letter of September 15th, 1960 respecting their engineering fees on this sub-division and also request acknowledgment that they would not look to the Village for payment of their fees in the event that they are not paid by Mr. Baylay.

It was now moved that Mr. Hope of the Canadian Bank of Commerce be heard. Mr. Hope was present to obtain permission for the Canadian Bank of Commerce to put up a trailer type branch office on the property adjoining the Dominion Store on Queen Street North after the New Year and to replace this trailer type office with a temporary office building pending completion of a permanent office building to be erected by the developers of the Shopping Centre site. Mr. Hope was advised that it would be necessary for his Bank to enter into an agreement with the Municipality whereby any temporary building must be connected to the sanitary, water and sewer services; that such temporary building must be removed from the site by January 31st, 1962 and a bond of $5,000.00 would have to be deposited to guarantee the removal of the temporary building by the date stipulated.

It was now

A Special meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present. The meeting was called to order at 7:30 P.M. for the purpose of discussing insurance surveys which had been submitted by Harry Price Insurance Agencies and Frank Cowan Company Limited.

Mr. K.J. Timney, representing Harry Price Insurance Agencies, was present at 7:30 P.M. and the survey submitted by his firm was reviewed and discussed with him.

At 9:20 P.M. Council recessed and at 9:30 P.M. the Council was re-convened and the survey submitted by Frank Cowan Company Limited was reviewed and discussed with Mr. R. McLellan of that firm and Mr. W.N. Atkinson, the local agent for that firm.

At 11:30 P.M. it was moved that Council sit until 12:00 midnight.

When the discussion on the survey submitted by Frank Cowan Company Limited was completed, it was with a request for a recorded vote
Moved by F.T. Smith Seconded by Geo. Parker

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present. The meeting was called to order at 8:30 P.M. immediately after the adjournment of the Court of Revision.

Moved by F.T. Smith Seconded by H.J. Gurnell
THAT the minutes of the Council meetings of January 18th, and January 25th, 1960, be adopted as transcribed.
MOTION CARRIED.

It was now moved that Mr. John English who waited on Council be heard. Mr. English was present with respect to his application for a building permit for an extension to his residence at 28 Sora Drive, which was before Council for approval. Mr. English advised Council that he had asked the Building Inspector about his proposed addition to his residence and was advised that it was in order and he had therefore called for tenders and had made arrangements for the financing of this extension. However, he was later called by the Building Inspector and advised that there was no use putting in an application as it would not be approved owing to a new by-law which had been passed by Council. It was pointed out to Mr. English that it was necessary to restrict applications similar to this so as to prevent the front view of the houses to the rear of his property being blocked. It was also pointed out to Mr. English that, should Council approve his application, such approval would not constitute any approval for a change in the use of his dwelling.

It was now moved that Mr. Walter Parker and Mr. Fred Cracknell of the Canadian Legion, be heard. Mr. Parker and Mr. Cracknell were present on behalf of the Canadian Legion who wished either to purchase or lease from the Village the thirty-foot right-of-way between the old and new Legion buildings for use by the Legion as a parking lot. It was decided that the Works Committee would investigate this matter and bring in a report at the next regular meeting.

It was now moved that Mr. Kenneth Honsberger be heard. Mr. Honsberger was present at the request of Council to discuss services within his subdivision. Letters dated December 7th and December30th from Proctor & Redfern concerning the manhole type sewage pumps was now discussed with Mr. Honsberger. Mr. Honsberger requested to be relieved of the performance bond with respect to his Amity Road Subdivision. However, it was decided that this performance bond should be maintained until the expiration of the one-year maintenance period. However, the bond could be in a reduced amount and it was decided that this matter would bereviewed in April. The draft agreement with respect to sanding and snow ploughing of the roads within the Amity Road Subdivision was now outlined to Mr. Honsberger by the Village Solicitor Ward Allen and Mr. Honsberger advised Council that he would be in the Clerk's office the following day to sign this agreement.

The reports of the Works Committee, Roads Committee and Finance Committee were now read and adopted by motion.

The Council now moved into committee to discuss Finance Committee matters.

A Committee Meeting of the Municipal Council was held this date in the Council Chambers with all members of the municipal council present.

The meeting was called for the purpose of meeting with the Public School Board, who had requested a joint meeting with the Municipal Council.

Members of The Public School Board present were as follows:-

Chairman: K.J. Timney
Members : J.R. Boyd
: D. Sutherland
: D. Lockhart
: Mrs. I. Nixon
Sec-Treas: C.S. Patterson

Plans of the proposed extensions to the Vista Heights Public School and the Ray Underhill Public School to supplement the request of The Public School Board for approval of capital expenditures in the amount of $140,000.00, were now presented and discussed with Council.

The Council were informed that due to more accurate estimates of cost now having been received, the School Board's request would be amended to $145,000.00 at a regular meeting of the School Board being held later in the evening.

Before retiring from the meeting at 9:30 P.M.,the School Board stressed the urgency of Council granting tentative approval at an early date so that construction could be completed by September 1st.

Consulting Engineer G. Kleinfeldt appeared before the Committee to review plans for services of the industrial lands of Credholme Developments and it was decided that Credholme should be requested to install the 10" watermain required by their agreement, north on Queen Street from Britannia Road to Alpha Mills Road; thence easterly along Alpha Mills Rd. to Falconer Drive rather than along Matlock and Falconer, as a watermain already existed along this route. The most economical way to install the internal services of the industrial lands, as well as the possibility of having a right-of-way along the easterly boundary of the railway was discussed. However, it was felt that this was a matter to be decided by Credholme Developments to be submitted to Council for approval.

A letter to Council from W.A. Hamilton, dated February 8th, 1960, concerning persons contravening the zoning by-law was now brought to the attention of the Committee and it was decided that letters of this type should first be referred to the Village Clerk, who would send the person concerned a standard letter advising them of this contravention and that such use must be terminated immediately. However, if they felt they were not contravening the By-law, then they should contact the Clerk to arrange a time when they could appear before Council to state their case.

MOTION CARRIED.

It was now moved that Mr. Robert Holmes who was accompanied by Mr. Roy Cook, be heard. Mr. Holmes was present on behalf of The Brampton and District Committee for Retarded Children to seek a grant from the Village of Streetsville for the operation of their school for retarded children. Mr. Holmes outlined the background of their organization and the school which was started two years ago. At the present time, there are fifteen children attending the school, one of which comes from Streetsville. As the average yearly cost for educating one child is $471.42, this was the amount of the grant which Mr. Holmes was requesting from the Village in consideration of the one child presently attending from Streetsville and should any further children be taken into the school, this year, they would have to be taken in under the present budget which could possibly absorb about another five pupils. Mr. Holmes was advised that his request would be referred to the Finance Committee for consideration when setting the budget for the current year.

Councillor George Parker arrived at the meeting during the time Mr. Holmes was addressing the Council.

It was now moved that Mr. Janecke be heard. Mr. Janecke was present to obtain Council approval for a building permit to erect a breezeway and garage to his house on the northeast corner of Siberry and Pioneer Roads. Mr. Janecke felt that Council could approve his plans, which showed the proposed building 9'9" off the Siberry Road street line, because the rear of his property was adjacent to the Mullet Creek, with no building lots in between. Mr. Janecke was advised that, as the by-law required a set-back of 25' from the street line, the Council did not have the power to grant approval to his request and he should therefore make application to the Committee of Adjustment for approval of this variance.

It was now moved that Fire Chief K.R. Burns be heard. Mr. Burns submitted a complete written report which was read to the Council, on the 1959 operations of the Streetsville Fire Department. Fire Chief Burns was thanked by the Council for his excellent report and the Clerk was requested to write a letter to the Streetsville Fire Department expressing the appreciation of council for their operation in the year 1959.

It was now moved that Mr. V.C. Johnston and Mr. Halford of the Parks Board be heard. Mr. Johnston and Mr. Halford were present to discuss the possibility of obtaining access from Britannia Road through the George Baylay property to the park located in Riverview Heights. This access, if obtained, would be for pedestrians only as it was not the intention of the Parks Board to permit cars within this park. It was decided that the Reeve and a representative of the Parks Board would contact Mr. George Baylay, the property owner, concerning obtaining a right-of-way through his property.

It was now moved that Mr. Wes. Durie be heard. Mr. Durie presented plans for a building which he proposed to erect at 204 Queen Street South which is the site where the building occupied by Western Tire was gutted by fire. These plans were discussed and Mr. Durie was advised to submit an application for a building permit.

The Council now moved into committee to receive a verbal report from solicitor H. Ward Allen on the Ontario Municipal Board Hearing held earlier on this date with respect to By-law Number 1374. The committee rose at 9:15 P.M. and it was moved that Mrs. Petraitis be heard.

Mrs. Petraitis asked the Council to forgive her for certain statements which she had made at The Ontario Municipal Board Hearing. Mrs. Petraitis was requested to submit a letter of retraction so that Council could file it with the Ontario Municipal Board. Mrs. Petraitis agreed to contact her solicitor and submit a letter to Council.

The report of the Finance Committee was now read and adopted by motion.

COMMITTEE CHAIRMAN

REEVE

Streetsville, Ontario
March 10th, 1960.

A joint meeting of the Municipal Counc il and the Streetsville Planning Board was held this date in the Council Chambers with all members present with the exception of Mr. K.J. Timney.

The meeting was called to meet with Mr. Murray Jones of Metropolitan Toronto Planning Board to discuss the proposed draft official plan of Metropolitan Toronto. Also present were Mr. Speck and Mr. Harrison of Toronto Township who had been invited to sit in on the discussion.

The meeting was called to order at 8:15 P.M. and Reeve Adamson was appointed to act as chairman of the meeting.

Mr. Murray Jones was now invited to take over the meeting in order to explain and clarify aspects of the proposed official plan as it pertains to the Village of Streetsville.

The letter of March 3rd from Metropolitan Toronto Planning Board, to which was attached a list of conflicts on the draft official plan with respect to the official plan of the Village of Streetsville was now discussed. Items A, B, C and D were quickly discussed and disposed of, since as noted thereon, these items represent differences in designation and do not necessarily constitute conflicts. Item number 1, which is Amendment Number 11 to the Official Plan of the Village of Streetsville, is presently in the hands of the Ontario Municipal Board for their decision as to re-zoning from "residential" to "commercial" and it was agreed that the draft plan would be amended to conform to the official plan of the Village of Streetsville as determined by the decision of The Ontario Municipal Board. It was also decided that items 2, 3 and 4 would be amended to conform with the Official Plan of The Village of Streetsville.

The development of the area to the north and west of the Village came up for considerable discussion. Mr. Speck informed the meeting that there were four companies interested in the development of this area and, when Toronto Township knows what this proposed development entails and when they are studying the problem of servicing this area, they will invite Streetsville Council or representatives thereof, to attend meetings so that they may be fully informed as to the progress of developments.

Mr. Jones was informed that the Municipal Council had contacted Toronto Township requesting that an alternative representative be appointed to represent the West District on Metropolitan Toronto Planning Board, as it was their opinion that Mr. Speck, who is the District representative, had so many demands on his time that a conflict in dates might result in the West District being without representation on the Metro Planning Board at some of their meetings. They also pointed out they would prefer that such an alternative representative should be a person other than one elected to any public office. Mr. Jones agreed that such an alternative representative under the circumstances, was, in his opinion, very desirable and he reommmended that further steps be taken to ensure that such a representative be appointed.

Mr. Jones informed the meeting that Metropolitan Toronto Planning Board maintained a staff solely for the purpose of guiding and advising municipalities in various capacities such as traffic control, zoning studies, and the preparation of official plans and amendments thereto. These services are available to any municipality for the asking and, while it was not their policy to step in when a planning consultant had been retained, they are ready and anxious to study any pboblem submitted to them for an impartial opinion.

The matter of holding a public meeting to discuss the draft official plan was now discussed and it was decided that such a meeting would not serve any useful purpose at this time.

Mr. Jones again stressed that Metropolitan Toronto Planning Board is ready and willing to come back at any time to discuss any problem with which the municipality may be experiencing difficulty and he was assured by the Chairman that, should it be deemed necessary, the Village would avail themselves of the services offered.

The meeting adjourned at 11:15 P.M.

March 14th, 1960.

A meeting of the Roads Committee was held this date in the Council Chambers with the following members present:-

Chairman:- F.Dowling
Members :- Geo. Parker
J.M. Adamson

It was recommended that traffic lights be installed at the intersections of Britannia and Queen Streets; and Thomas and Queen Streets and that the County be asked to study the cost of installation. Mr. Dowling requested that a letter be sent to County Council for the Tursday meeting.

It was decided that Mr. Allen be asked to give advice on Sid Irwin's driveway as the property is zoned as "commercial".

This committee recommend to Council that the Legion be permitted to use the roadway between the two halls with no obligation to the Village of Streetsville.

In connection with the property recently acquired by Mr. Holmes from the Anglican Church, it was decided that Mr. Holmes be requested to indicate the position of driveways and also the position of sewer and water services to this property.

It was recommended that five ball point pens be purchase for the Council Chamber to be kept in each member's drawer under lock and key.

It was also decided that Mr. Dowling would contact Mr. J. Sinclair in regard to making a new table for the Council Chambers.

The regular semi-monthly meeting of the Municipal Council was held this date in the Council Chambers with the following members present:-

Reeve: J.M. Adamson
Deputy Reeve: F. Dowling
Councillors: Geo. Parker
F.T. Smith
J.M. Fairley

It was, with a request for a recorded vote
Moved by F. Dowling Seconded by Geo. Parker
THAT John McLean Fairley be and he is hereby elected a Member of the Municipal Council for the balance of the year to fill the vacancy created by the resignation of Councillor H.J. Gurnell.

F. Dowling - Aye F.T. Smith - Yes
Geo. Parker Yes J.M. Adamson Yes
MOTION CARRIED.

Moved by F. Dowling Seconded by Geo. Parker
THAT the minutes of the meeting of March 7th, 1959 and of the joint meeting with Planning Board of March 10th, 1959 be adopted as transcribed.
MOTION CARRIED.

It was now moved that Mr. Ron Bruce be heard. Mr. Ron Bruce appeard before Council as the Streetsville representative to the High School Board to give the Municipal Council an interim report on the 1960 High School budget. Mr. Bruce advised Council that the proposed 1960 budget would be approximately $1,206,158.00, which was a $222,000.00 increase over the 1959 budget. He pointed out that these figures were, at the present time, approximate figures and it was hoped that the budget would be finalized at the next regular meeting of the Board which is being held on Thursday evening of this week.

It was now moved that Mrs. G. Reed be heard. Mrs. Reed was present with respect to a permit which had been given by the 1959 Council to their neighbour at the corner of Plainsman Road and Suburban Drive for a board fence around a swimming pool, which Mrs. Reed claimed to be a detriment to the sale of their property. Mrs. Reed was advised that Council would have to take this matter up with the Village Solicitor who was expected at the meeting later in the evening.

It was now moved that Mr. Dan Richmond and Mr. Chesher be heard. Both of these parties, unknown to the other, had come to the meeting to request that Council set up an Industrial Commission to attempt to attract badly needed industry to the Village. Both persons were of the opinion that Council had sufficient to do without acting as an industrial commission and therefore they felt that an industrial commission should be set up to obtain facts and figures from other municipalities as to what other municipalities are doing to attract industry and also that an amount be set aside in the forthcoming budget for an industrial commission. It was suggested that, if possible, one mill be set aside for these purposes. It was suggested that Councillor F.T.Smith who is also Chairman of the Chamber of Commerce, take this matter up at the meeting of this body the following day and bring back a report to Council on this matter. Mr.Richmond however felt that this should not be left to the Chamber of Commerce although representatives of that body should be on an industrial commission and an industrial commission should also comprise members of other boards and bodies.

It was now moved that Mr. De Silva be heard. Mr. De Silva of Vista Drive was present with respect to the use of his property. Mr. De Silva at present has three boarders living with him in addition to his wife and children. Mr. De Silva claimed that, unless he were permitted to keep these three boarders, he would be unable to keep up his payments on his house. It was pointed out to Mr. De Silva that his residence was within a single family residential area and before purchasing the house he should have consulted with the Municipal office.

It was now moved that Mrs. Michaelis who was also represented by Mr. J.J. Graham, be heard. Mrs. Michaelis and her solicitor were present with respect to a letter which had been sent to them advising that they were contravening the zoning by-law by permitting another family to share their dwelling which was within a single family residential area. The letter from Mr. J.J. Graham respecting this matter was now read. It was pointed out to Council that this was only a temporary situation owing to the financial difficulties of Mrs. Michaelis' tenants and that the tenants would be moving in June. It was therefore agreed that action on this matter would be deferred if an undertaking were received from Mrs. Michaelis to the effect that her residence would be used for a single family residence only after July 15th of this year.

It was now moved that Mrs. Cottrell be heard. Mrs. Cottrell who was also represented by her Engineer, Mr. Brouse was present to obtain Council approval of her plans for services to her industrial lands. Village Consulting Engineer G. Kleinfeldt advised Council that these plans appeared to be in order except for the widening of Alpha Mills Road, which showed a road widening on the southerly side of this road over privately owned property. It was suggested that the Clerk send a registered letter to Mr. Shyhinsky, the property owner involved, advising him that Council are endeavouring to have sewer and water services extended along Alpha Mills Road and in so doing they wished to widen the southerly side of Alpha Mills Road and suggest that he attend the next regular meeting of Council, if possible, to discuss this matter.

It was now
Moved by Geo. Parker Seconded by F. Dowling
THAT the Clerk be authorized and directed to execute and deliver on behalf of the Village form of application for approval by Ontario Water Resources Commission of submissions relating to watermains and sanitary sewers on Alpha Mills Road from Queen Street North to Falconer Drive prepared by Petzold & Brouse, Consulting Engineers to Credholme Development Limited, dated March 7th, 1960, are approved by Pennont Consultants on behalf of the Village.

MOTION CARRIED.

The maintenance bond which Credholme Developments would be required to file with the Village to guarantee the services to be installed, was now discussed with Mrs. Cottrell and it was suggested that the Municipality be included as well as Credholme in the bond being put up by the Contractor who would be installing these services.

It was now moved that Mr. Chiovetti of Fysh Real Estate be heard. Council moved into committee to discuss the services required for the industrial lands belonging to Vista Development Company which have been listed for sale with the Fysh Real Estate Company. It was decided that Council would hold a special meeting to discuss this matter further with Mr. Chiovetti and his client and Mr. Chiovetti would be advised of the date and time of this meeting.

The committee rose as 10:20 P.M. and the report of the Finance Committee was now read and adopted by motion.

Streetsville, Ontario
March 23rd, 1960.

A Special meeting of the Roads Committee was held this date at 8:00 P.M. in the Municipal Office with the following members present:-

Chairman:- F. Dowling
Members:- Geo. Parker
J.M. Adamson

The drainage from Credholme industrial lands as proposed by the engineers to be carried by open ditch along Falconer Drive was discussed and it was decided that a meeting should be arranged with the engineer and that he be advised that the storm drainage from the Credholme lands would have to be taken by storm sewer to the Credit River.

The meeting adjourned at 8:30 P.M.

CHAIRMAN

Streetsville, Ontario
April 4th, 1960.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all Members of the governing body present.

The meeting was called to order at 8:15 P.M., and it was

Moved by F. Dowling Seconded by Geo. Parker

THAT the minutes of the Council Meeting of March 21st, 1960, be adopted as transcribed.

MOTION CARRIED.

In business arising out of the minutes, Councillor F.T. Smith advised Council that the setting up of an Industrial Commission was discussed at the executive meeting of the Chamber of Commerce and it was felt that this was too important a matter to move on hastily and that considerable thought must be given before setting up or spending money on this Commission. Councillor J.M. Fairley reported to Council that he had been speaking with Mr. Chesher who was willing to make inquiries of other Industrial Commissions concerning setting up such an Industrial Commission in Streetsville, if Council so desired. It was therefore decided that the Clerk should give Mr. Chesher a letter authorizing him to make such inquiries on behalf of the Municipal Council.

It was now moved that Mr. Chouinard of E.C. Packing Company be heard. Mr. Chouinard advised Council that he was purchasing a parcel of property from Mrs. C.S. Patterson behind that owned by Mr. F.D. Pillsworth, which they are presently occupying and although there was a fifty-foot right-of-way to this property along the westerly fence of the C.P.R. they had permission to use only the easterly 25' which was owned by Mrs. Patterson and could not get permission to use the westerly 25' of this right-of-way which was owned by Mr. Pillsworth. Mr. Chouinard wanted to know if he would be required to build a larger road than 25' and if Council would put in a sewer to service his property on which he intended to build an 8,250 sq. ft. concrete block plant for his packing industry.

Mr. Chouinard was advised that this matter would have to be takne up at a special meeting when it could be investigated further.

It was now moved that Mr. L. Atchison be heard. Mr. Atchison was present with respect to an application he had made to the Planning Board for the re-zoning of the rear of his property which was located on the north west corner of Arch Road and Ellen Street, from R-2 to R-3 to permit the construction of an apartment building. The copy of Mr. Atchison's letter to the Planning Board, dated April 2nd, 1960, was now read and Mr. Atchison was advised that Council were presently reviewing the zoning in all of the old part of the Village and it had been recommended to Council that changes in the zoning in the old part of the Village should all be done in one application rather than several applications and at the present time it was impossible for Council to issue a building permit for an apartment building on this property owing to the present zoning.

It was now moved that Messrs. Goulding, Anderson and Embacher of Hill-Clark-Francis be heard. The request of Toronto-Dominion Bank to set up a branch in a mobile unit on the front of the property owned by Hill-Clark-Francis was now discussed. It was pointed out to the deputation present, that Council could not give permission to the Toronto-Dominion Bank as they were not the owners of the property. However, Council would consider

approval of the request through Hill-Clark-Francis, if, after the lease is signed between Hill-Clark-Francis and The Toronto Dominion Bank,

a) Hill-Clark-Francis give the municipality an undertaking that Toronto-Dominion Bank would vacate the mobile unit as soon as the building to be leased by them is completed, and
b) the mobile unit be connected to the sewer and water, and
c) no other tenant make a similar request.

The Council now moved into Committee to discuss with the deputation from Hill-Clark-Francis right of ways to their property from Crumbie Street and William Street and also their pending application to the Committee of Adjustment for a variance from the zoning by-law with respect to lot coverage and also parking area. While still in Committee, the Council discussed the proposed widening of Alpha Mills Road with Mrs. Cottrell who was present at the meeting, and also discussed with Village Solicitor H. Ward Allen a proposed by-law to restrict the hours which service stations could remain open in the Village.

The Committee rose at 10:35 P.M. and it was
Moved by F. Dowling Seconded by Geo. Parker
THAT the Village Clerk be authorized to seek approval from the Board of Transport Commissioners and the Canadian Pacific Railways for the proposed alterations of Alpha Mills Road as shown on drawing number 60-630-9 prepared by Petzold & Brouse dated January 21st, 1960.

MOTION CARRIED.

The report of the Finance Committee was now read and adopted by motion.

A letter from the Department of Public Welfare of the City of Toronto re Ference and Maria Ludvig was referred to the Village Solicitor for a report on the position of the Village of Streetsville in this matter.

The Council moved into Committee to discuss Miscellaneous Committee matters. The Committee rose at 10:55 P.M. and the report of the Miscellaneous Committee was read and a dopted by motion.

The report of the Roads Committee was now read and adopted by motion.

The Council moved into Committee to discuss Works Committee matters. the Committee rose and the report of the Works Committee was read and adopted by motion.

A motion by Councillor F.T. Smith that the Council continue to sit for an indefinite period beyond 11:30 P.M. was carried.

A by-law to appoint a member to the Streetsville Planning Board was now given three readings, and it was
Moved by Geo. Parker Seconded by F.T. Smith
THAT a by-law to appoint a member to the Streetsville Planning Board now having been given the necessary three readings be duly signed by the Village Reeve and Clerk, the Corporate Seal be affixed thereto, and numbered 1388.

MOTION CARRIED.

Moved by Geo. Parker Seconded by F.T. Smith
THAT the Village Solicitor be requested to attend the meeting of The Committee of Adjustment, when set, to consider the application of Hill-Clark-Francis Ltd. and that he be instructed to advise the Committee that Council supports the application and is in favour of the retention of certain trees and park space providing such retention does not decrease the car space by more than 10%.

A Special Meeting of the Municipal Council was held this date in the Council Chambers with the following members present:-

Reeve: J.M. Adamson
Deputy Reeve: F. Dowling
Councillors: Geo. Parker
J.M. Fairley

The meeting was called to order at 8:30 P.M. and the proposed by-law restricting hours of service stations within the Village was now discussed with a deputation of service station operators.

The service station operators objected to Section 4 of the by-law in that it did not restrict the number of permits which Council could issue for Sunday opening and also objected to the proposed fee of $5.00 in Section 5.

It was pointed out to the deputation that the Village Solicitor had recommended to Council that the number of permits which Council might issue for a Sunday opening should not be restricted in Section 4 but should be left to the discretion of Council, as it was possible for a service station operator which had no intention of opening to apply for a permit. After this explanation had been given to the service station operators, they were satisfied with this section as it was drafted. In discussing the permits and fees, it was agreed that permits could be issued on a three-month basis and the fee of $1.00 would cover each permit issued to each individual service station on this three-month basis. It was decided that the Clerk would send registered letters to all service station operators advising them of this by-law and the Council would be issuing permits on a three-month basis and, if they wish a permit to remain open on a Sunday, they would have to file their application with the Clerk within seven days, so that these permits could be approved by Council at their meeting of April 25th.

Village Solicitor H. Ward Allen was now in attendance and the Patterson sale to Chouinard was now discussed. Council agreed that they would expropriate the twenty-five foot right-of-way required from International Nutrition Products if Mrs. Patterson dedicated her twenty-five foot right-of-way to the Village and the Clerk was then instructed to draft the necessary by-laws.

It was now moved that Mr. Wm. Whaley, who waited on Council, be heard. The installation of services within Mr. Whaley's subdivision and the required bond was now discussed with Mr. Whaley and it was agreed that he would be permitted to proceed with the services before registration of the plan, providing he signed an undertaking with the Village which would permit Village inspection and supervision and that he would submit a cheque in the amount of $1,000.00 as a deposit to cover engineering and supervision costs incurred by the Village.

The reports of the Finance Committee and of the Police Committee were now read and adopted by motion.

At 11:30 P.M. it was moved that Council sit to pass the by-laws and resolutions before them.

A by-law to acquire certain lands within the Village for the purposes of the Corporation was now given three readings and it was, with a request for a recorded vote
Moved by J.M. Fairley Seconded by F.T. Smith

May 2nd, 1960.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:25 P.M. and it was

Moved by F.T. Smith Seconded by F. Dowling

THAT the minutes of the Council Meeting of April 25th, 1960, be adopted as transcribed.

MOTION CARRIED.

It was now moved that Mr. Hodsoll and Mr. McAskie be heard. Mr. Hodsoll advised Council that he and Mr. McAskie had formed a partnership and had purchased the property at 12 Mill Street, in which they planned to operate a radio sales and service business. However, the property at present does not have water or sewer service and, as finances was their present problem, they wanted to know what assistance they could get from Council for the installation of sewer and water to their property. It was agreed that the Village would pay the difference between a 4" and 8" sewer from Church Street to their property, plus one-half of the cost of a manhole which would be required and also that Council would waive the lateral connection charge.

It was now moved that Mr. Kingsland be heard. Mr. Kingsland was present on behalf of Mr. John Chesher and he presented an industrial development brief to Council which had been prepared by Mr. John Chesher, Mr. John Fairley and himself. It was agreed that Council would meet on Saturday morning at 9:00 A.M. to discuss this brief.

It was now moved that Mr. Gordon Kleinfeldt be heard. Mr. Kleinfeldt presented to Council the plans on a storm sewer required to drain the industrial lands of Credholme; together with an application for the construction of this storm sewer to be presented to the Ontario Water Resources Commission for their approval which required the approval of the Municipal Council before being forwarded to the Ontario Water Resources Commission.

It was

Moved by J.M. Fairley Seconded by F.T. Smith

THAT the Reeve and Clerk be authorized and instructed to execute and deliver under the Corporate Seal of the Village, the application to Ontario Water Resources Commission for approval of the construction of storm sewers on Alpha Mills Road to Credit River in accordance with plans prepared by Petzold & Brouse and approved on behalf of the Village by Pennont Consultants.

MOTION CARRIED.

The report of the Miscellaneous Committee was now read and Council moved into Committee to discuss that report.

A Special Committee meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:10 P.M. and the Council discussed High School matters with Streetsville representatives A.S. Mendell and G.R.Bruce.

At 9:00 P.M. the Council met with the Public Utilities Commission, in committee, to discuss the feasibility of installing a ten inch watermain along the industrial road in Credholme Developments and also the acquiring of a site for an elevated storage tank in the Credholme lands at this time. It was the recommendation of the Public Utilities Commission that this ten inch main be installed along the industrial road in Credholem Developments providing the Council pay the difference in cost between a ten inch main and that required by the subdivision agreement, so that a new main would not have to be installed in the event that an elevated storage tank is erected in the Credholme lands some time in the future.

Following the meeting with the Public Utilities Commission, t he Council then met with members of the executive of the Arena Committee to discuss ownership and management of the proposed new arena.

Following the meeting with representatives of the Arena Committee the Council discussed with Village Solicitor H. Ward Allen, his report concerning the changing of the Village to a town and Mr. Allen was instructed to prepare the necessary by-laws.

THAT the sum of Fifty Dollars($50.00) be contributed toward the cost of a display on the float to participate in the Lions' District Convention parade to be held in Ottawa on May 29th, 1960. This amount is to be charged to the amount shown in the 1960 Budget for "industrial commission."

MOTION CARRIED.

The Police Committee report was now read and adopted by motion.

At 10:15 P.M. the Council moved into Committee to discuss the advisability of changing the status of the village to that of a town. The committee rose at 10:30 P.M. and it was
Moved by F. Dowling Seconded by F.T. Smith
THAT no action be taken at this time with regard to the changing of the Village to a Town but this be reviewed the first meeting of Council in October 1960 for consideration.

MOTION CARRIED.

Council adjourned at 10:35 P.M.

Reeve

Clerk

Streetsville, Ontario
May 31st, 1960.

A Special Meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present. The meeting was called to order at 9:10 P.M. following the committee meeting of Council.

It was
Moved by F. Dowling Seconded by Geo. Parker
THAT the Chairman of the Finance Committee be authorized to advertise through the Village Clerk for a Treasurer for the Village of Streetsville after receiving advice from the Village auditors.

MOTION CARRIED.

A letter dated the 16th day of May, 1960, from the County of Peel re hospital grants for capital construction was now discussed and the clerk was authorized to send a letter to Peel Memorial Hospital advising them that no further payments would be made by the Village of Streetsville on the pledge made to that hospital in 1957 and also a letter to the Clerk-Treasurer of the County of Peel advising him that $2,000.00 had now been paid by the Village of Streetsville on a $5,000.00 pledge to the Peel Memorial Hospital and that the Village of Streetsville would appreciate receiving a refund of the amount already paid only if other municipalities within the County who had made similar pledges and payments were being re-imbursed.

A letter from Mr. Harold Mills of 9 Swanhurst Blvd. dated May 28th, concerning the drainage of his property and adjoining lots was now discussed and the Clerk was instructed to send a copy of this letter to Mr. Pope and also a letter to Mrs. Petraitis requesting that a proper top be put on the catchbasin located on the right-of-way at the rear of her shopping centre site.

It was decided that a meeting of the Police Committee would be held on Monday evening, June 6th at 7:15 P.M. and the Clerk was instructed to request the Chief Constable to attend this meeting.

The purchase of a grader was now discussed and it was decided that the Roads Committee Chairman would contact the engineer of the Municipal Roads Branch of the Department of Highways to ascertain what other municipalities of a similar size owned a grader and if he thought it would be economical for the Village of Streetsville to own one.

The application of Hill-Clark-Francis for permission to have Toronto-Dominion Bank locate a mobile trailer on their property was now discussed; however permission was not granted owing to the fact that no proof had been furnished that a lease had been signed between Toronto-Dominion Bank and Hill-Clark-Francis and also there was no proof in the form of a building permit that Hill-Clark-Francis would be proceeding immediately with the construction of the shopping centre.

At 11:30 P.M. it was moved that Council sit until the letter from Mr. Foster re "Zurini" was discussed. A letter from Mr. Maurice Foster, solicitor for Mr. Zurini dated May 31st, was now read and discussed and was referred to Village Solicitor H. Ward Allen to prepare the necessary agreement.

COUNCIL adjourned at 12:10 A.M.

J. M. McLaren Reeve

D. M. Galloway Clerk

Streetsville, Ontario,
June 6th, 1960.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all Members of the governing body present.

The meeting was called to order at 8:25 P.M., and it was,

Moved by F. T. Smith Seconded by Geo. Parker

THAT the minutes of the Council meetings of May 16th, 1960 and May 31st, 1960, be adopted as transcribed.

MOTION CARRIED.

It was now moved that Mr. Wes Durie and Mr. Gord McAllister be heard. Messrs. Durie & McAllister were present to ascertain the decision of Council on an application submitted by Mr. McAllister to operate a billiard room in the upstairs of the building presently being constructed by Mr. Durie at 204 Queen Street South. Messrs. Durie and McAllister were advised that Council had no objection to such an operation providing it was not operated on Sundays or Good Friday and Christmas Day, however, it was the feeling of Council that pool rooms should be licensed and Council would therefore review any existing by-law in the Village as well as obtain and review copies of any by-law which the Township of Toronto or the Village of Port Credit might have respecting the licensing and governing of pool rooms.

It was now moved that Mr. Dan Richmond be heard. Mr. Richmond was present on behalf of a committee which was formed the early part of 1959 for the purpose of erecting new welcome signs at the northerly and southerly ends of the Village on Queen Street. Mr. Richmond wanted to know whether or not this year's Council was still prepared to pay one quarter of the cost of erecting these signs as agreed upon by the 1959 Council, and if so, the Committee wanted the permission of Council to sign a contract agreement for the erection of these signs. The proposed location of the sign to be erected on Queen Street North was discussed, however, final decision was left to the sign Committee, and it was

Moved by F. Dowling Seconded by Geo. Parker

THAT the special entrance to the Village sign Committee be granted permission to erect welcome signs at the north and south entrances to the Village and the Village Reeve be authorized to sign agreements with this Committee and contract; the Village bearing not more than ($300.00) Three Hundred Dollars of the total cost.

MOTION CARRIED.

It was now moved that Mr. Hazen Trites be heard. Mr. Trites, who is the owner of Lot 42, Plan 529, Theodore Drive, was present to advise Council that he would maintain the drainage right of way along the side of his lot. Mr. Trites was advised that Council had no objection to his maintaining this right of way. the application submitted by Mr. Trites for a building permit to erect a single family dwelling with outside walls of aluminum siding was also discussed at this time with Mr. Trites.

It was now moved that Mr. J.L. Atchinson be heard. Mr. Atchinson was present with respect to a one foot reserve along the side and rear of his property on Ellen Street and Arch Road. Village Solicitor H. Ward Allen advised Council that he had looked into this matter and as far as he could determine this reserve was still held by Mr. W. C. Arch who was the original property owner. Mr. Atchinson was requesting Council to expropriate this reserve, however it was the decision of Council that a letter should be sent to Mr. Arch by the Clerk to ascertain his selling price and also that an assessment be made on these reserves.

The Council now moved into Committee to discuss Miscellaneous Committee Matters. The Committee rose at 9:50 P.M. and the report of the Miscellaneous Committee was now read and adopted by motion.

With a request for a recorded vote, it was

Moved by F. T. Smith — Seconded by Geo. Parker

THAT effective April 1, 1960 and until further notice, the salary of Russell Langmaid be paid at the rate of Two Thousand, Two Hundred Dollars ($2,200.00) per year.

MOTION CARRIED.

Moved by Geo. Parker — Seconded by F. Dowling

THAT Mr. Hamilton be granted permission to hire Mr. C. Feenstra to work for the Village as directed by the Village Clerk of Works.

MOTION CARRIED.

Moved by F. T. Smith — Seconded by Geo. Parker

THAT the accounts as shown on the financial statements dated June 6th, 1960 in the amounts of $ 38,776.12 and $ 15,492.63 be approved for payment.

MOTION CARRIED.

A letter from the Public Utilities Commission requesting the Village to share the cost of a water cooler for the downstairs hallway of the Municipal Building was now discussed and at this point the Reeve advised the Members of Council that an invitation had been extended to them by the P.U.C. to attend the next meeting of that Commission on June 16th, at 9:00 P.M., and it was therefore decided that the purchase of a water cooler could be discussed at that time.

The statement of Tax Arrears as at May 31st, 1960 was now reviewed and the Clerk was instructed to consult with the Village Solicitor on tax sale proceddure with respect to lands owned by Vista Development Company being Pt. W½ Lot 4, Con. V., W.H.S. and also to contact the Peel County Weed Inspector about the weeds on this property.

The report of the Works Committee was now read and adopted by motion.

The Council now moved into Committee to discuss Road Committee matters. The Committee rose and the report of the Roads Committee was read and adopted by motion.

With a request for a recorded vote, it was,

Moved by F. Dowling — Seconded by Geo. Parker

THAT a grader be purchased from Crothers Limited at a price of Four Thousand Nine Hundred and Fifty ($4,950.00) Dollars to be paid out of the Capital Expenditure Account as set up in the 1960 Budget.

REEVE

Streetsville, Ontario.
July 4th, 1960.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with the following members present:

Reeve:	J.M.Adamson
Deputy Reeve:	F. Dowling
Councillors:	F. T. Smith
	Geo. Parker
	J.M. Fairley (at 8:30 P.M.)

The meeting was called to order at 8:20 P.M. and it was,

Moved by : F. T. Smith Seconded by: F. Dowling

THAT the minutes of the Council meeting of June 20th, 1960 be adopted as transcribed.

MOTION CARRIED.

It was now moved that Mr. Debenham be heard. Mr. Debenham was present on behalf of the Streetsville Baptist Church who had an application for a building permit before Council for construction of a church on the property on the north-west corner of Vista Drive and Vista Blvd. Approval of this application had been withheld pending receipt of a plan showing proposed parking, however, as a plan had now been submitted showing parking provisions for 85 cars, Mr. Debenham was advised that Council would now approve this building permit application. The possibility of waiving the $550.00 per lot contribution on these lots on Plan 556 which are owned by the Baptist Church was now discussed but final decision was reserved pending further investigation.

It was now moved that Mr. Russell Wallis who was present at the request of Council be heard. The type of construction of the proposed Snack Bar which Mr. Wallis intended erecting on Queen Street North was now discussed with Mr. Wallis. Mr. Wallis advised Council that the proposed cost of the building as shown on his application was fairly low because he planned to do most of the work himself, however, since submitting the application he had spoken to Cerametal Industries regarding having the front of his proposed building panelled with porcelain enamelled steel. Mr. Wallis also advised Council that the property which he was purchasing was one complete parcel which was not being divided at this time and would therefore not have to have the approval of the Planning Board. Mr. Wallis was advised that the Miscellaneous Committee would now recommend approval of his application.

The report of the Finance Committee was now read and Council moved into Committee to discuss that report. The Committee rose at 9:30 P.M. and the report of the Finance Committee was adopted by motion.

The report of the Miscellaneous Committee was now read and adopted by motion.

Moved by: F. T. Smith Seconded by: Geo. Parker

THAT, at this time, we pay account in amount of $323.21 to the Clerk of the Legislative Assembly being balance owing in connection with our application for a Private Bill.

MOTION CARRIED.

REEVE

Streetsville, Ontario.
July 11th, 1960.

A special meeting of the Municipal Council was held this date in the Council Chambers with all Members of the governing body present.

The meeting was called to order at 8:10 P.M. and Council moved into Committee to discuss a complaint, which they had received from Mr. Inch concerning the road not being constructed in the centre of Ardsley Street road allowance, with Mr. Inch, Engineers D.B.Redfern and K. Childs of Proctor and Redfern, and Mr. George Baylay, the subdivider. While still in Committee, Village Solicitor H. Ward Allen reported on his attendance in the Brampton Magistrates' Court for the hearing of charges against Ronald Beehoo for violations against the Building By-law and Zoning By-law which had now been remanded to August 25th, 1960.

The Committee rose at 9:10 P.M., and it was,

Moved By F. T. Smith Seconded by J. M. Fairley

THAT the Village Solicitor be authorized to take such proceedings as he may deem necessary to have the trial of charges against Ronald Beehoo heard by a Magistrate other than Magistrate R. I. Blain.

MOTION CARRIED.

Moved by Geo. Parker Seconded by F. Dowling

THAT letter of July 11/60 from Streetsville Wood Products quoting $ 38.00 for putting all the windows in the Old High School as stated in his letter be accepted.

MOTION CARRIED.

It was now moved that Mr. Webb of 256 Hillside Drive be heard. Mr. Webb was present regarding the drain from Hillside Drive which is tiled for about sixty feet along the side of his property and extends via open ditch from that point to the rear of his property and thence across the rear of his lot. As the Village did not have an easement for this drain, Mr. Webb advised Council that unless the Village tiled and covered the balance of this drain, he would fill it in and thereby stop the flow of water. Mr. Webb was advised that this was a natural watercourse which could not be stopped up and because of the poor fall would create a problem if tiled. However, Mr. Webb was advised that the Works Committee would investigate this problem further.

Moved by Geo. Parker Seconded by F. Dowling

THAT the Clerk of Works be authorized to obtain tenders and to advertise for tenders in The Review for the construction of the following sidewalks:
South side of Thomas Street between Queen Street and Victoria Street;
East side of Church St. between Main Street and Separate School;
North side of Thomas Street in front of Texaco Service Station.

Moved by: F. Dowling Seconded by: Geo. Parker

THAT the minutes of the Council Meetings of July 4th, 1960, July 11th, 1960, and July 12th, 1960, be adopted as transcribed, with the deletion of the words "That the Old High School Windows be boarded with Plywood" deleted from the Works Committee Report of July 4th, 1960." MOTION CARRIED.

It was now moved that Mr. Emer Chouinard of E. C. Packing Company, be heard. The installation of a road and sewer to service the new plant being constructed by E. C. Packing Company was discussed with Mr. Chouinard and it was agreed that Mr. Chouinard would bear the entire cost of the road including the grading to be done by the Village. This road is to be 30' in width and is to be constructed along the easterly side of the road allowance as close to the C.P.R. right-of-way fence as possible. The Village is to bear the entire cost of the sewer main including manholes and is to backfill the sewer in front of the E. C. Packing property with sand. It was further decided that the Clerk would send Mr. Chouinard a letter setting out this agreement and request a confirmation in writing from him.

It was now moved that Mr. Wes Durie be heard. Mr. Durie advised Council that he had been advised that Council had received opposition to the minimum age limit of 16 years for persons permitted to enter a Billiard room and as Mr. McAllister was away on vacation he was present to discuss this matter on behalf of Mr. McAllister. The Council now moved into Committee to discuss this matter with Mr. Durie. Mr. Harold Couse was also heard by Council while still in Committee , regarding the Princess Street Sewerage Pumphouse which had been located on their property without an agreement having been made at that time.

The Committee rose at 9:40 P.M., and it was,

REEVE

Streetsville, Ontario.
July 25thm 1960.

A special Meeting of the Municipal Council was held this date in the Council Chambers with the following members present:

Reeve: J. M. Adamson
Councillors: Geo. Parker
F. T. Smith
J. M. Fairley

The meeting was called to order at 8:10 P.M. and it was moved that Mrs. Doris Hope, President of the Streetsville Community Kindergarten be heard. Mrs. Hope advised Council that she had heard that a request for a grant had been made to Council by another Kindergarten which was starting up in the Village and she was therefore present to make a similar request on behalf of the Streetsville Community Kindergarten. Mrs. Hope further advised Council that the Streetsville Community Kindergarten had received their charter and engaged a licensed teacher and although they had been in operation for seven years they had never as yet received their maximum enrollment of 68 pupils.

After hearing from Mrs. Hope who was accompanied by the Streetsville Community Kindergarten Teacher, Mrs. Turner, it was the feeling of Council that a committee would have to be formed before Council would commit themselves to pay any grants under The Day Nurseries Act. This matter was discussed with Mr. Neil Bruce, Mr. L. Kingsland and Mr. J. Chesher who were present to represent the Village Kindergarten Inc.

It was the decision of Council that Councillors F. T. Smith and J. M. Fairley act as a Committee of the Municipal Council to meet with two members of the Streetsville Community Kindergarten and two members of the Village Kindergarten to discuss this matter further and bring in a recommendation to the Council.

A letter dated July 25th from the Public Utilities Commission requesting Council to obtain Ontario Municipal Board Approval for the Construction of the proposed elevated water storage tank was now read and Council moved into Committee to discuss this matter with Mr. H. L. Hope, Mr. V. C. Johnston and Mr. J. R. Mason of the Public Utilities Commission.

The Committee rose at 10:00 P.M., and it was ,

Moved by : F. T. Smith Seconded by : Geo. Parker
THAT the Clerk be instructed to prepare the necessary By-law covering the requirement of P.U.C. for a debenture of approximately $ 91,000.00 for a 20 year period for the cost of a standpipe.
MOTION CARRIED.

Moved by: Geo. Parker Seconded by: F. T. Smith
THAT the account of McNeil Pipelines for ($650.00) Six Hundred and Fifty Dollars be paid.
MOTION CARRIED.

Moved by: J.M.Fairley Seconded by: F. T. Smith
THAT the Clerk be instructed to write a letter to the Peel County Council asking if the Village of Streetsville could acquire the road abandoned upon the construction of the Britannia Road Bridge and running north of the present road on Britannia Road for Park purposes.
MOTION CARRIED.

The Council now adjourned at 10:10 P.M.

J. M. Adamson REEVE

CLERK

Streetsville, Ontario.
August 2nd, 1960.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with the following Members present:

Reeve:	J. M. Adamson
Councillors:	Geo. Parker
	F. T. Smith
	J. M. Fairley

The meeting was called to order at 8:15 P.M., and it was,

Moved by F. T. Smith Seconded by J. M. Fairley

THAT the minutes of the Council meeting of July 18th, 1960, and July 25th, 1960, be adopted as transcribed.

MOTION CARRIED.

It was now moved that Mr. Fred Giles be heard. Mr. Giles was present to obtain permission to erect a small frame real estate office on the south easterly corner of the property owned by Mr. J. Holmes and used by the IGA Store for a customer parking lot, on the south-westerly corner of Queen and Tannery Streets. Mr. Giles was advised that a Village by-law prohibited frame structures in this area for fire protection purposes.

It was now moved that Mrs. Thompson of 34 Theodore Drive be heard. Mrs. Thompson advised the Council that the water was not running through the culvert in the easement along the northerly side of their property, but was running along the outside of the culvert and was therefore causing considerable erosion. Mrs. Thompson was advised that this matter would be investigated by the Works Committee and a report on same would be submitted to the Council and she would be advised of the decision made by Council.

Deputy-Reeve F. Dowling now arrived at the meeting.

It was now moved that Mr. Soosaar be heard. Mr. Soosaar was present on behalf of Reash Investments Limited who had been requested to attend the meeting to discuss the drainage of the Riverview Shopping Centre property and those properties on Swanhurst Blvd., backing onto the Shopping Centre Lands. Mr. Harold Mills of Swanhurst Blvd., who is one of the property owners concerned was also in attendance at the meeting and after discussing this matter briefly it was felt that if Mr. Mills would take Mr. Soosaar to the property, and explain the situation to him, an agreement could be reached much more readily.

It was now moved that Mrs. Doris Hope be heard. Mrs. Hope advised the Council that as recommended at the last meeting of Council, representatives of the Streetsville Community Kindergarten together with the Committee of Council and the representatives from the Village Kindergarten had a special meeting however, the subject of duplicate enrollment was not discussed at that meeting and since it was too soon for either kindergarten to have their enrollment confirmed, she suggested that another meeting be called the latter part of August, at which time a representative from The Department of Public Welfare could be asked to attend. After some discussion, the Clerk was requested to arrange a meeting with a representative from The Department of Public Welfare, the Municipal Council and representatives from both kindergartens.

The report of the Miscellaneous Committee and of the By-law Committee were adopted by motion.
